

2017 JSCE Annual Meeting

- Date: September 11 (Mon) to 13(Wed)
※Int'l Program organized by IAC on Sept 11 (Mon) & 12 (Tues)
- Venue for Int'l Program: Kyushu University Ito Campus, INAMORI Center, "Big Sand"
- Grand Theme: "Future Challenges and Globalization in Civil Engineering"

~ International Program ~

1) International Roundtable Meeting (RTM)

- Date and time: September 11, 14:00~17:00
 - Venue: INAMORI Center, Kyushu Univ. Ito Campus
 - Theme: "Implementing ICTs within the Construction Industry and Infrastructure Maintenance"
- ※Simultaneous Interpretation (English-Japanese) service will be provided.

2) The 19th International Summer Symposium (The 19th ISS) and International Workshop for Young Civil Engineers

<The 19th ISS>

- Date and time: September 11 & 12, 9:00~12:00
- Venue: Kyushu Univ. Ito Campus, Open Learning Plaza Lecture Rooms 5 to 7

<International Workshop for Young Civil Engineers>

- Date and Time: September 11, 13:30~17:30
- Venue: INAMORI Center, Kyushu Univ. Ito Campus
- Theme : Innovative Construction Methods- a Case of Cut-and Cover Tunneling Method-

3) Technical Tour (for Int'l guests)

- Date and time: September 12
Int'l guests: 8:30~17:00
- Visiting sites: Recovery and reconstruction sites of the areas hit by Kumamoto Earthquakes 2016
