

JSCE 16th International Summer Symposium

in conjunction with JSCE 69th Annual Conference

at Osaka University, 10th-12th September 2013

JSCE International Summer Symposium brings together civil engineers from over 20 countries every year. Over 100 papers are presented annually.

The main objectives of the Symposium are to provide a platform for young engineers to examine technological advances and issues, to share their ideas and research projects, and to encourage them to find research partners and teams across languages and distance.

It is an excellent opportunity for young civil engineers to discuss their research projects, to acquire new perspectives and to network with their peers.

Paper Presentation in English

Max. 2 pages, Non-refereed paper

See below 'how to apply'

Place: Osaka University, Toyonaka, OSAKA

Date: 10th September 2014

How to Apply

International Summer Symposium will be held as part of JSCE 69th Annual Meeting.

Please register and submit your paper(s) in English on the Annual Conference website:

<http://committees.jsce.or.jp/zenkoku/gaiyo/top> (in Japanese).

Please choose the '**International Session**' in '**Common Session (CS)**' to submit your paper.

***Paper submission deadline:* 5:00 p.m., 4th April 2014**

After you submit your paper(s), JSCE Int'l Activities Center will contact you. If you decide not to submit a paper, please contact the JSCE Int'l Activities Center.

Registration fee is required only for the participants in the JSCE Annual Meeting. ISS participants who will make a presentation must be JSCE members. If you are not a JSCE member, please apply for the JSCE Membership by **28th March**.

Option

Following ISS, Workshop for Young Civil Engineers will be held with the schedule below.

The participants of ISS would be welcomed to join the workshop.

For details, please visit website: **<http://www.jsce-int.org/node/249>**.
