

Joint Company Information Session 2021

Japan Society of Civil Engineers, International Activities Center (IAC) will hold “Joint Company Information Session 2021” on December 11, 2021. The purpose of the session is to provide international students with information on Japanese construction companies.

The session consists of 1) Opening Session and 2) Company Sessions & “Senpai (OB & OG)” Sessions. The Company Session will give you an introduction of companies; You will meet companies representatives and directly ask about their business activities, projects, latest technologies, and further job opportunities. The “Senpai” Session will be the opportunity to meet “Senpai” engineers. You may ask them about their experiences, challenges, and how they prepared to get a job in Japan.

We are looking forward to meeting you.
