

“Action Today!”

The 6th CICHE-JSCE Joint Workshop in Nagasaki November 3-5, 2024

CICHE- JSCE Joint Workshop

CICHE and JSCE started CICHE-JSCE Joint Workshop in 2016 to network young civil engineers, to develop technical exchange and to seed future collaborative studies between the two societies.

The 6th WS will focus on AI, carbon neutrality, renewable energy, and sustainable economic development.

Civil engineers & researchers, students, anyone who are interested in working with us are very welcomed!

Organizers :
Japan Society of Civil Engineers and
Chinese Institute of Civil and Hydraulic
Engineers
