

Joint Company Information Session 2022

Japan Society of Civil Engineers, International Activities Center (IAC) is holding “Joint Company Information Session 2022” on December 10, 2022.

The purpose of the session is to provide international students with information on Japanese construction companies. This consists of 1) Opening Session 2) Company Sessions 3) “Senpai (OB & OG)” Sessions.

In the Company Session you will meet company's representatives and get information about their company. You may directly ask about their business, projects, latest technologies, and further job opportunities.

In the “Senpai” Session you will meet “Senpai” engineers and may ask them about their experiences, challenges, and how did they get a job in Japan.

We look forward to your participation.
