

Joint Company Information Session 2020

International Activities Center (IAC), JSCE would like to announce an event called “Joint Company Information Session 2020”. The purpose of this event is to provide international students with information on Japanese construction companies. The session will be conducted online.

The session consists of 1) Opening Session and 2) Company Session. Company Session will introduce an overview about business fields of each company. International students will meet the representative of Japanese construction companies and directly ask their business activities, projects, latest technologies, and further job opportunities. We are looking forward to meeting you.

Session Program (Tentative):

- **Date & Time:** December 12 (Sat.), 13:00-17:00
