

MLIT LUNCHTIME SESSION 2026

Meet • Engage • Explore

19 OCTOBER 2026

10:30 AM – 3:00 PM

A special opportunity for international students and researchers to meet MLIT professionals, explore Japan's infrastructure, and experience a guided visit to the National Diet Building.

PROGRAM HIGHLIGHTS

01 Meet & Discuss

Meet young technical officials from the MLIT and discuss current interesting projects, technologies and research.

02 Q&A Session

Engage in an open, insightful high-level exchange and Q&A session with the Vice-Minister for Engineering Affairs

03 National Diet Building

Explore the heart of Japanese politics with a specialized study visit inside the historic legislative building.
